## **Santa Eulària launches ‘Restaurants with Charm’ brochure for 2022**

**In recent years Ibiza has established itself as a world-leading gastronomic destination. Offering quality produce, innovative cuisine and the laid-back style that the destination is renowned for nowhere typifies this more than the region of Santa Eulària des Riu.**

One of Ibiza’s five regions, Santa Eulària des Riu is located to the east of the island with Santa Eulària town being one of the most attractive and sought-after locations.

New for 2022 is the ‘Restaurants with Charm’ brochure showcasing 44 of the region’s most authentic, stylish and culinarily-focused restaurants. Acting as a one-stop guide to the best restaurants in the area the brochure gives visitors all the information, locations and inspiration they need to enjoy a gastronomic-focused holiday in the region. Whether it’s traditional Ibicenco favourites served up in bucolic rural gems or cosmopolitan international fare enjoyed marina-side the guide provides a comprehensive overview of the culinary offering to tempt even the most discerning of visitors.

Laid-out in a user-friendly format with inspiring imagery the brochure gives guidance on pricing, opening season and location, plus details on how to book. Three clear sections; ‘Headings’, ‘Services’ and ‘Types of Food’ give topline details about the atmosphere and style of the establishment, the facilities and practical points of consideration such as parking facilities and access for those with limited mobility and the kind of cuisine served.

With island classics such as paella and bullit de peix and international favourites including burgers the spot is a deserved classic.

Hotel Rural & Spa Can Curreu is an elegant and traditional restaurant located in the hotel of the same name. Featuring Mediterranean dishes focused on quality ingredients and excellent cooking the restaurant is the scene of many Ibizeno family celebrations and occasions. **Note to editors:** Santa Eulària des Riu comprises the townships of Jesús, Puig d’en Valls, Santa Gertrudis de Fruitera, Santa Eulària des Riu and Sant Carles de Peralta. It also includes an impressive stretch of coastline with more than 20 beaches as well as rural farmland.

It was the cradle of the hippie movement on the island and home to numerous artists from all over the world. In the year 1912, the well-known painter Laureà Barrau remarked that, *“Everything here is more beautiful than I could have imagined. A painter’s entire life can be found here.”*
